

BARBARA TEUSINK

Sketch of a Chapin, South Carolina, residential and contemporary artist.

Barbara Teusink is an award-winning artist whose work is represented in private collections across the US. A contemporary realist, Barbara's subjects include florals, animals, and landscapes. She began her artistic journey in 2013 after retiring from a successful career in information technology.

She continually seeks to improve through diligent self-study, weekly classes, and occasional workshops. In her paintings, she strives to capture and preserve the fleeting moments of life, an expression or gesture, the light, the season, or a striking arrangement of objects. Barbara lives in Chapin with her husband, dog, and cat. ■
